At 106, Caroline Peirce is still smiling and laughing. She turned 106 last Friday and a big birthday bash with over 75 people was held in her honor at Hyland Crest Senior Citizens' Home in Minden on Sunday. Mrs.

LET'S GIVE FAIR EXCHANGE

At the time of writing this column, the exchange on American Funds is 11.85¢ premium on their dollar. 'Fair Exchange' is considered to be within 2% of the exact bank figure, and most operators are using a factor of 10% which falls within this guideline.

To our considerable surprise and concern we find that not all businesses in our community are providing 'Fair Exchange'. It is difficult to understand why. American tourism has been decreasing for some years, due mainly to the economic difference of travel costs in our two countries. For the first time in some years we are now in a position where we can attract Americans once again, because of the favorable exchange rate and the fact that the sales tax has been removed from accommodations and lowered on all other commodities. We simply cannot afford not to take advantage of these factors now that they are present.

Some have told us that the reason that they take this stand is because in their experience in the United States they have had considerable difficulty using Canadian currency even at a bank. This is mainly due to an entirely different type of banking system in the United States than we have in Canada. It should also be kept in mind that the United States is not suffering from a deficit in tourism -- we are.

To provide 'Fair Exchange' costs us nothing. The bank will pass on the exchange in turn when the money is deposited. To refuse to give exchange is not only taking unfair advantage of a visitor but could be referred to as cutting off your nose to spite your face. Please treat our visitors royally!

CARNIVALS EVERYWHERE

There's never a dull moment around the county over the next week with just one carnival following right after another. Having barely got our breath after the Country Good Times in Wilberforce, it's now on to the Rotary 'Pioneer Days' Carnival in Minden. In line with the pioneers' days theme a number of Rotary members have been cultivating great beards and mustaches for the last several months. A barbershop chorus of 25 barber-shoppers completes the picture. It's fun and games and celebrations for two big days on Wednesday and Thursday of this week...in Minden.

The Gooderham Old Time Horseshoe Day has now expanded to three, being this Friday, Saturday and Sunday. The events centre around their brand new Participapark and proceeds are being used for further development of the park. It gets underway Friday night, with a disco dance followed Saturday with a Bake Sale, Craft Sale, Talent, Naildriving and Log Sawing contests a Bingo and a dance with live entertainment. Throughout all this there are rides and concessions and a big horseshoe tournament taking place. Finals in the Horseshoe tournament and Talent contest will be held on Sunday afternoon. Also there will be an exhibition ball game and tug-of-war. Next Wednesday the Haliburton Rotary Carnival gets underway with their 'Heritage Parade'. A new feature this year will be the Calypso Party and children's stage show held at the Curling Club following the parade. On Thursday night the carnival ball will be held at the Curling Club featuring 'Uptown Country'.

IT'S BUSY AT FORT IRWIN

Last week while visiting with John and Alleen Bruce, the new owners of Fort Irwin Marina at Haliburton Lake we were fortunate to witness the launching of Short Line Ski Schools new skiboat. This beautiful craft is valued at somewhere around \$16,000 and is specifically designed for the single purpose of towing water skiers. It is capable of towing up to nine skiers on their bare feet and for trick skiing can be slowed to only 16 miles per hour and still remain on plane. Head Instructor Chris Sutton was good enough to take us for a short demonstration ride and we were very impressed with the fantastic maneuverability of the boat. Their Ski School will operate not only on Haliburton Lake but they can trailer the boat to any other lake where sufficient interest merits it. John and Sandra Curry, who took over the operation of Haliburton Lake's store at Fort Irwin last year have been busy with renovations and are now doing a brisk business, with not only their meats and groceries but hardware, building materials and a laundry.

Just two miles up the road is the Bush Boutique operated by Mrs. Shirley Cummings. This unique little gift shop among other things features distinctive summer garments, African prints, capes, ponchos and embroidered shirts along with their own Haliburton Lake silver charms, tie tacs and spoons. They are certainly not new to the area but they are new members to the Chamber and we gladly welcome them.

MORE NEW MEMBERS

The Haliburton branch of Brookline Concrete Products that recently opened on 121 Highway near Haliburton have just joined the Chamber of Commerce. This branch is

\$412,469 grant awarded Minden seniors housing

A grant of \$412,469 has been awarded for the construction of Minden's long-awaited 20 unit Senior Citizen's building. The Progress learned Tuesday evening. The award was made by the

Board of Directors of the Ontario Housing Corporation during its meeting a week ago on July 19. In making the grant the OHBC Board authorized the award of a contract for the construction

of the units to Westmont Engineering Construction Company of Peterborough. The Board also indicated that the contract is to be signed within the next few

weeks with construction expected to begin shortly thereafter. The contract award of \$412,469 is for the actual construction of the units, excluding land.

Welcome to the County Fair

Hello!

It's 'County Fair' time again, and we are all looking forward to greeting you at this 114th Celebration. For many months the Agricultural Society, supported by the whole-hearted participation from within the County and beyond its boundaries, has been preparing for this Annual event, which we hope will please you. We extend a warm welcome to all residents and visitors, participants and spectators. Come and enjoy the friendly atmosphere of the County Fair'.

County Fair promises full and busy weekend

PROGRAM

The day of the fair is the day to be there, and with all the new attractions like best foal class, ladies arm wrestling and the teen disco dance, every day is the day to be there.

The County Fair, August 11, 12 and 13, starts off Friday evening with the last chance to place exhibits and entries in the Curling Rink. The doors will be locked at precisely 7 pm so the judging can start. Membership forms and early registration for Saturday and Sunday events will also be available.

The doors will open bright and early Saturday for everyone to see the winners. Also on Saturday morning the Lighthouse classes begin including the new class for the best foal born in Haliburton County in 1978.

The Fair is officially opened at 1 pm following the parade through town to the Fairground.

The County Fair parade is said to be the best ever seen in the area so make sure not to miss it.

Girls should make sure they don't miss the crowning of the Fair Queen. Imagine

yourself representing Haliburton County at the annual Miss Sweetheart of the Fairs contest at the CNE next year. As queen of the Fair you will be invited to attend many gala festivities around the county for the next year.

Again this year, the beer garden will open in the arena at 12 noon for the visitors to quench their thirst in the hot afternoon sun. In the afternoon, Con Archer and his five-piece band will be performing outside on the Grandstand. Food booths, one operated by the County's Girl Guides and Brownies, will be scattered among the other concession booths.

On Sunday, the final day of the Fair, the dog show featuring rare breeds and local breeders should be the crowd drawer for the day.

The Lighthouse roadster and pony classes, horse-shoe pitching, the Rotary family field day and picnic, amateur contest, ladies arm wrestling, the sale of exhibits and the finals of the baseball tournament will wrap-up the day.

All display buildings open to the public all day. Many food booths on the grounds. Baseball tournament, 8 teams, Saturday from 12 noon on. Trophies donated by Carling O'Keefe.

Prizes for the OLDEST LADY, OLDEST MAN, and the LONGEST MARRIED COUPLE, on the fair grounds. ADMISSION - ADULT - \$1.50; CHILDREN 5 to 15 yrs. 50¢; UNDER 5 - Free; Vehicles - \$1.00

SUNDAY, AUGUST 13

12 noon - Lighthouse Roadster and Carriage Classes Horseshoe Pitching Contest - beside Curling Arena 1st \$15; 2nd \$10; 3rd \$5.

Rotary Family Picnic and Funky Field Day Baseball tournament playoffs - trophies donated by Carling O'Keefe

1:00 pm - Dog show, rare breeds demonstration, obedience display

Amateur Contest, back-up music provided by The Misty River Ramblers, Grandstand

Ladies Arm Wrestling Contest. Prize money donated by Minden Red & White

2:30 pm - Exhibition baseball game between the CKVR Barrie NO-STARS and The Haliburton County ALL-Stars

All Craft and Exhibit buildings open to viewers. Displays in the Curling building will be sold to the public.

Midway, food booths and ground exhibits open all day.

FRIDAY, AUGUST 11

Exhibitors last night to place entries in the Curling Building. Deadline is 7:00 pm. Judging begins and doors are locked.

9:00 pm - 1:00 am - Dance and adult refreshments, lower level, Community Centre, music by Con Archer and band. Admission - \$5 per couple

Con Archer headlines Grandstand show

The big drawing card at the County Fair this year will be Con Archer and his five-piece band.

Mr. Archer has played in the area before with a few members of his band while his song 'It's Not You' was a country and western hit. In previous years such favorites as Ronnie Proff, George Hamilton IV and The

Leahy Family have entertained the throngs at the Fair.

The musicians will be putting on a special outdoor matinee on Saturday and will be entertaining on the ice surface of the community centre during the evening.

As well, the Misty River Ramblers, a local favorite, will be acting as back-up group for the amateur contest on Sunday.

The amateur contest is a great time for all prospective performers to get up in front of an audience that's willing to listen and do their thing.

FAIR QUEEN...ONGOING TRADITION

The crowning of the Fair Queen has been a tradition since the Fair began in the 1800's.

Ask any girl who has ever been named Fair Queen and she'll tell you it was a great experience. Not only an honor, but a chance to meet new friends in other competitions.

Ask any girl who has ever been named Fair Queen and she'll tell you it was a great experience.

Here's a short message from last year's Queen, Darlene Danilko: "I have had a good year as the Haliburton County Fair Queen for 1977/78. Here are a few things that I have done and will be doing.

As Fair Queen, I attended the Wardens' Banquet and the Fair Dance, both of which were held at the Legion in Haliburton.

I went to Toronto and stayed at the Royal York for two days in February, along with one hundred other Fair Queens. We all had a great time! I will be looking forward to going again to the 15th and 16th of August when I will be staying at Addison Hall, University of Toronto. All of the queens will be at the CNE Coliseum for the judging of a Miss Sweetheart of the Fairs Pageant. I am also looking forward to the crowning of our new queen for 1978/79 on August 12, 1978. Hope to see you all at the Fair!

Elsewhere on this page an entry form for the beauty contest is available. Fill it out today.

LADIES WORK COMMITTEE CHAIRMAN BEV CONNELLY

IS SHOWN WORKING ON HER ENTRY

Fair features ladies' handiwork

Displays by ladies groups or organizations are always an important and beautiful part of the County Fair.

This year the rules are: only one entry per organization; all work must be done by the members of the organization; each display must have an entry tag obtained from the secretary two weeks prior to the Fair; approximately 48 inches will be allowed for the display; entry fee per organization is \$5.00; Prizes: \$20, \$15 and \$10.

Committee chairman, Leone Skead, has named "A Baby Shower" as the theme for this year's displays.

Organizations are asked to pick eight items from the following list for the displays: cake for a baby shower, baby shower floral arrangement, mobile, shawl, diaper, bonnet, sweater, booties, nightie, sleeper, dress, crib quilt or toy.

Displays will be judged on the basis of 50 percent for

workmanship and 50 percent for display attractiveness.

Other organized groups and summer camps are encouraged to display their handi-crafts by obtaining an entry ticket from the secretary two weeks prior to the Fair and pay the entry fee of \$5. Each group will be allowed 48 inches for a display area and may exhibit 10 items for which the prizes will be \$20, \$15 and \$10.

County Fair preparations well in hand

It may not seem too important if the grains are next the quilts but it takes a long year of hard work to get Haliburton County Fair (August 11, 12 and 13) that far along.

For months now the Minden Agricultural Society has been busy arranging for a band, selling concession spaces, spelling out the rules for the contests and trying to make this year's upcoming Fair as memorable as it was in the 1800's. And don't think that isn't a little difficult these days with a fair of carnival popping up almost every week. The most important part of the Fair is keeping up the traditions while trying to make allowances for all the going trends in exhibits, produce and livestock.

said Faye Mansfield of the Fair's publicity committee. So, this year a new class has been added to the livestock contest with a prize being offered for the best foal born in 1978 in Haliburton County. Also the sewing classes have contests for stylish clothes because years ago the women brought clothes made for everyday and fancy occasions and it would be ridiculous to have a class for a certain type of clothing that wasn't being worn these days, explained Mrs. Mansfield. Likewise, the produce classifications are limited to grains, seeds, roots, fruits and vegetables that can be grown in this area.

Mrs. Mansfield said the

competitors list is growing steadily every year because of the great trend of the past few years to grow your own.

"It was surprising last year the number of cattle competing," said Mrs. Mansfield, adding that the great turnout was probably a result of the ski-rocketing price of beef.

Mrs. Mansfield said that although farming has become highly computerized many men bring their work horses to the drawing match.

Before, the men used to haul logs in the winter, plough in the summer and take their horses to the fair in the fall, but nowadays most of the horses seen at the fairs are only used for competitions," said Mrs. Mans-

field. The Fair will also be boasting a large professional midway with county businesses' concession booths both inside and outside.

"There's no business directory in Minden, so the Fair is a good place for tourists to find out what businesses are in the county," she added.

The fair has also added a dog show to its agenda which Mrs. Mansfield points out has been a success.

Two years ago there wasn't a dog show, only one-month was shown. Then last year the dog show class was opened with an astounding 33

dogs. This year, like last, will also feature experienced judge Chae Eddler-Serr and his German short-haired pointer, "Mac". Mac has received obedience training and will be performing.

For the athletes a two-day baseball tournament will be held on the fair grounds while the area's beauties can compete in the Fair Queen Contest.

The Agricultural Society will also be providing daytime entertainment on Saturday and in the evening.

in the arena. Cog Archer and his five-piece band, known for their hill country and western song "It's Not You" will be entertaining.

Mrs. Mansfield said Cog has played in the arena before and "sounds just like Elvis".

Although the society had hoped the Fair mobile, a train on wheels to transport visitors around the fair grounds would be ready for the Fair, it is hoped the Fair mobile will be ready for next year.

Concessions...more than ever before for County Fair visitors.

July-August 1978 Page 118

The fairgrounds and the arena will both be simply lined with concession booths at this year's County Fair, August 11, 12 and 13.

This is an excellent time for tourists and summer-time residents to find out exactly what services and products are available in the county.

The Robertson Midway and Show will also be at the Fair this year with six big rides including the Ferris Wheel, Merry-Go-Round, Jumping Jack, Chair-O-Plane, the Tempest and Loop-O-Plane.

The concession committee, under the guidance of Chairman Yvonne Beaucage, has impressively increased the concessions this year. Assisting Mrs. Beaucage are Sine Nesbitt, Don Blakey,

Elaine Blakey, Loretta Nesbitt, Laurie Kinsman and Mary Mullins.

The Fair is also an excellent time to help out your favorite non-profit organization.

Twelve such non-profit organizations will have booths at the Fair.

They include: Haliburton Kinsmen, who will be selling \$10 tickets for a four-wheel-drive Jeep and a Gremlin car; county Boy Scouts, Minden Library-Museum board; Minden Girl Guides, Minden Minor Hockey, Haliburton County Livestock Producers' Association, Haliburton County Snowmobile Association and Minden Figure Skating Club.

Come out and see what the County has to offer you.

The day of the Fair is the day to be there!

County Fair adds Ladies Arm Wrestling to its calendar of events

Ladies Arm Wrestling is the latest competition to be added to the County Fair and it promises to be a real winner. Of course, in recent years similar competitions have been staged in Minden during the winter months and they have proved to be highly popular. Now, summer tourists and cottagers, as well as year-round residents will have an opportunity to join in the fun. Sponsoring the County Fair's Ladies Arm wrestling

event in this, its inaugural year, is the Minden Red and White Store which has donated a prize of \$20 for the winner and \$10 for the consolation winner. Minden Red and White owner, Al 'Cub' Conestogwe, will act as referee for the competition and will, naturally, present the prizes to the winners. So ladies, now's your chance to make all that laundry lifting and kitting paying pay...see you Sunday, August 13.

Dog show adds new breed

Bambi is a Lhasa Apso. These dogs were first brought from Tibet to Canada in 1933.

They are known as Apso Seng Kye, the "bark line sentinel dog". Raised in monasteries and villages around the sacred city of Lhasa, they were used as guard dogs inside the sacred buildings.

The Lhasa Apso quickly adapted to this way of life because of intelligence, quick hearing and finely developed instinct for detecting intimates from strangers.

The dogs were recognized by the American Kennel Club in 1935 and are now found right around the world.

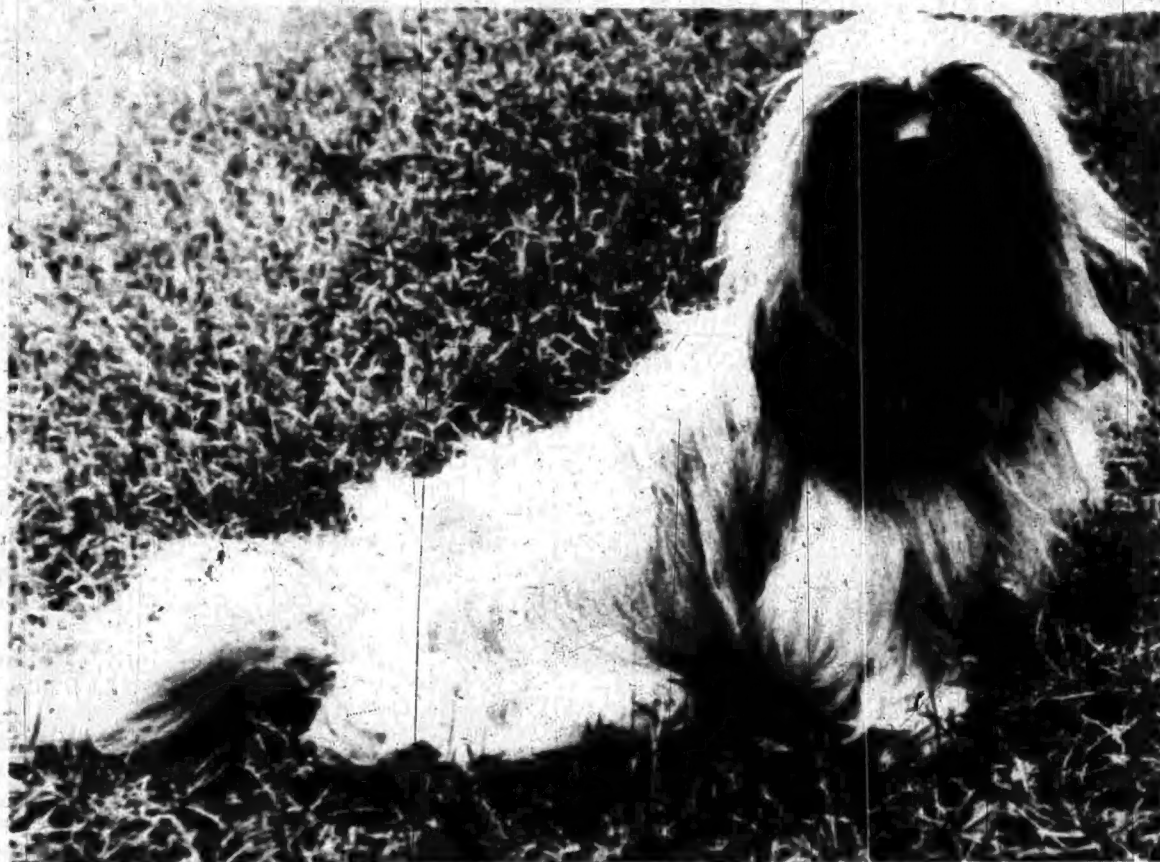

They are a gay and assertive little dog, but wary of strangers. Size varies from 10 to 11 inches at the shoulders, although the bitch is a little smaller. The coat is also variable between golden, sandy, lion-like, honey, dark, grizzle, slate, smoke, part color black, white or brown.

The golden or lion-like color is preferred, while dark ear tips and beard are an asset.

Their hair is long and straight but hopefull not woolly of silky, and very thick. The Lhasa Apso carries its tail upcurled over the back. The feet are feathered, round and cat-like.

Their eyes are round and brown, highlighting a definite black nose.

Lhasa Apsos are a house dog, but also a very good

Missing and Missed

BASIL HEWITT

Basil Hewitt, an ardent supporter of the Minden Agricultural Society and the Haliburton County Fair will be sadly missed at this year's 114th celebrations. Mr. Hewitt, who died this past January 13, was a key County Fair worker for many years and played a major role in the Fair's success, although especially interested in the livestock divisions, the late Mr. Hewitt was active in virtually all aspects of the County Fair.

County Fair features baseball tourney

Nine teams will be participating in the two-day baseball tournament at the fair grounds, Saturday and Sunday. Joining in the fun will be teams from Woodville, Bancroft, Harcourt, Bobcaygeon, Beaverton, Janetville, Hal-

burton, Fenelon Falls and of course the Minden team. A special highlight will be the 'exhibition game' between the Minden men and the CKVR Barrie No-Stars. Come out and support your favorite team.

Hackney pony and roadster classes offered

For the first time in four years, the Haliburton County Fair will again offer classes for hackney ponies and roadsters. The 13 new classes including the grand champion hackney pony of show and the grand champion roadster of show, have been drawn up by Jerry Pillsworth, a former lighthorse exhibitor with first-hand ring experience.

Mr. Pillsworth will be at the heavy horse ring on Sunday to sign up entries as classes begin at 12 noon.

The 13 new classes, which begin at 9.45 Saturday morning, include county foal class, pony classes under 56 inches, unregistered horses line classes, registered horses and open lighthorse stake.

The performance and game classes beginning after the parade include parade horse in parade, pony in parade, Arab and part-Arab mounted native costume class, junior western equitation, open musical tires and walk and lead, Arab or part-Arab English pleasure horse, open English equitation, open costume class, children's pleasure class, open ribbon race, open pairs class, western pleasure horse, open egg and spoon, Arab or part-Arab western pleasure horse, open relay race, open western trail class and the high point horse or pony of the day.

The Blue Ridge Riding Stable and Tack Shop on the Peterson Road near Carnarvon has donated a cooler blanket to the winner of the open English Equitation class.
